

SOUL AGREEMENTS

Lauren Newman

A reflective reading of the long-standing patterns in your chart

1978-04-21 · 14:32 · Newark, New Jersey

Reflective, not predictive. Prepared 2026-08-23

CONTENTS

1. Family Agreement
2. Wound Agreement
3. Purpose Agreement
4. Soul Contract Summary
5. Strength-Based Contract

Read in order. Family comes first because it is the earliest layer, and the later sections build on it. The order is the story order, not a ranking of importance.

FAMILY AGREEMENT

What kind of emotional environment shaped you?

You learned early to read the temperature of a room before you spoke. You learned early to read the temperature of a room before you spoke. You learned early to read the temperature of a room before you spoke. You learned early to read the temperature of a room before you spoke. You learned early to read the temperature of a room before you spoke. You learned early to read the temperature of a room before you spoke.

You learned early to read the temperature of a room before you spoke. You learned early to read the temperature of a room before you spoke. You learned early to read the temperature of a room before you spoke. You learned early to read the temperature of a room before you spoke. You learned early to read the temperature of a room before you spoke. You learned early to read the temperature of a room before you spoke.

RECOGNITION CHECK

Notice when you go quiet. Notice when you over-explain. Notice when you apologize first.

WOUND AGREEMENT

What kind of emotional environment shaped you?

You learned early to read the temperature of a room before you spoke. You learned early to read the temperature of a room before you spoke. You learned early to read the temperature of a room before you spoke. You learned early to read the temperature of a room before you spoke. You learned early to read the temperature of a room before you spoke. You learned early to read the temperature of a room before you spoke.

You learned early to read the temperature of a room before you spoke. You learned early to read the temperature of a room before you spoke. You learned early to read the temperature of a room before you spoke. You learned early to read the temperature of a room before you spoke. You learned early to read the temperature of a room before you spoke. You learned early to read the temperature of a room before you spoke.

RECOGNITION CHECK

Notice when you go quiet. Notice when you over-explain. Notice when you apologize first.
